

Meeting Notes

- No newsletter
- No login for vital signs
- Don't worry about vital signs exclusive, can still be successful without it
- Mobile Interface
- Wordpress and elementor
- Vital signs reports are for donors
- Parts of the sitemap are redundant, already included on the other site things
 - For the about us maybe just one page about the hub and how it came to be
- Forum has value, but not super important at this stage and may be too hard to manage
- Pexels for free images
- Simplify catalog
- Liked homepage but didn't like community highlights
- Grants redirects to main site
